While but few visitors were present, the hall was well filled, far more than the usual number of members of the Lodge being in attendance.

In accordance with the usual Masonic custom, the new officers were installed by the retiring Master, O. M. Carrington, who was assisted by C. G. Landscheit, Inspector of the local Masonic District, as master of ceremonies.

Cummings presented the retiring Master with an emblematic Past Master's apron. Following the ceremonies in the lodge room light refreshments were served.

Womens Relief Corp

In the presence of a large number of members of the Order and invited guests, the new officers of General George S. Evans Womens Relief Corps No. 36, were installed last Monday evening. In honor of the occasion the hall was handsomely decorated, choice flowers and the National emblem being most effectively combined. Music for the occasion was provided by the orchestra of the Thirteenth Infantry, who volunteered their esrvices. Both before and after the installation ceremonies the orchestra, with their splendid renrition, contributed largely to the enjoyment of the occasion.

Mrs. Geraldine E. Frisbie, Past National President, and the first President of George S. Evans Corps, of which she is still a member, conducted the installation, inducting into their stations the following officers:

President, Minnie Kincaid.

Vice-President, Georgetta Dearborn.

Following the seating of the new officers, Mrs. Kincaid, who is now filling the chair as presiding officer for the second term, was presented with a handsome Past President's emblematic pin, as an evidence of the appreciation by the members of the Corps of her services during the past year, the presentation on behalf of the members being made by Mrs. Frisbie. As a token of the esteem in which she is held, Mrs. Frisbie was the recipient of a handsome bouquet of roses.

Chaplain Livingston of Camp Fremont, was the speaker of the evening and proved most entertaining. While his remarks were replete with appeals to the patriotism of his audience, they were interspersed with sallies of naive wit which kept his hearers in the best of humor. Another interesting feature of the program was the dialect songs and old time drum solos of Dr. Chipman of San Mateo, a Grand Army veteran. During the evening light refreshments were served.

MOTHER OF MRS. T. P. MALONEY PASSES AWAY AT GILROY HOME

The Gilroy Advocate in its issue of January 12th gives the following account of the death of Mrs. Anna Catherine Baillaige, mother of Mrs. T. P. Maloney of this city. The deceased was a prominent resident of Gilroy for nearly sixty years. She often visited her daughter in Redwood City:

"Mrs. Anna Catherine Baillaige, widow of the late Judge A. P. Baillaige who was a prominent pioneer of this valley, died at her home on the Bodfish road near Gilroy on Monday afternoon, after a short illness. The news of her sudden death was a painful surprise to her family and friends, as she was ill only one day with acute indigestion. Mrs. Baillaige was a native of Germany, aged 76 years. She came to this country when a girl 18 years of age, her parents having died when she was a child. She first lived in San Francisco then in Santa Clara. She married the late A. P. Baillaige (John) Baillaige 57 years ago, and has resided in this city ever since her marriage, having been married here. She was the mother of nine children, six of whom preceded her to the grave, five of whom had reached maturity when sumoned by the Reaper, namely: Cecelia, August, Carl, Kittie and Helen. Those living are Henrietta and Mrs. Tillie Hollaway of Gilroy, and Mrs. Nellie Maloney of Redwood. During all these years, Mrs. Baillaige has borne these sorrows with fortitude. In addition to her children, she leaves several grand-children. She was devoted to her family, and seldom left her comfortable home. Her husband was quite a successful politician, and for years held the office of school trustee and justice of the peace, when the town had two justices. He was a familiar character, a generous hearted pioneer, whose word was as good as his bond. He came here in 1850, and for years conducted a meat market, leaving his widow a comfortable fortune.

The funeral took place Wednesday afternoon from the family residence Rev. W. B. Gillespie of Morgan Hill Presbyterian Church conducted the services and interment was in the family plot in the Masonic and Odd Fellows cemetery. Among the relatives from afar at the funeral were Mr. and Mrs. Thos. Maloney of Redwood City, Miss Wilma Lundy, Jas. E. Payne".

CANCELED STAMPS AID POOR

One thousand cancelled stamps will support a Beigian or French child one month. Just think of how many poor children in these unfortunate countries could be fed if the American people would save cancelled stamps. Mrs. James Eva of this city is chairman of cancelled stamp committee and is urging all to assist her in this commendable work. She is soliciting the aid of the school children. Tax Collector A. McSweeney has kindly consented to have the little ones come to his office next week to cancell or take stamps from 15,000 envelopes. The children will also gather at other offices of the courthouse to pursue this commendable work.

The dye extracted from the stamps is of great value as very little dye is imported now by this country as Germany is the only country that manufactures that product.

SUSANI COLEMAN'S WILL IS FILED FOR PROBATE

W. A. Brooke, through his attorneys, Ross & Ross, has filed the last will and testament of Susani Coleman, who died on June 15, 1917. The estate consists of property located in San Mateo county valued at $5,000. The deceased left a will dated September 6, 1899 by the terms of which she appointed her husband John A. Coleman sole executor to serve without filing any bond. He was also made the sole legatee. He died some time prior to his wife. The only heirs are C. J. Kreig, a brother living in Sweden and a sister, V. Uppstrom also residing in Sweden.

Executrix Files Final Account

Mrs. Mary S. Merrill has filed her final account as the executrix of the last will and testament of John F. Merrill, deceased. The account shows that the sum of $26,183.60 has been received and the amount of $63,301.66 has been disbursed by her, leaving a balance of $37,118.06 due the executrix. There has been many partial distributions of the estate made during the past three years. The estate originally was appraised at over a million dollars. Mr. Merrill died on September 29, 1912. Mr. Merrill during his life time was a member of the firm of Holbrook, Merrill, Stetson and Company. The Merrill home at Atherton is one of the show places of the peninsula.

CAMP FREMONT POLICE EXPOSE FEMALE SPY

BRILLIANT WOMAN POSES AS WAITRESS, IN SEARCH OF ARMY SECRETS

OVER ZEAL ENDS IN DETECTION

Mrs. Johanna H. Heink, supposed to be a German spy, was arrested in this city late Wednesday evening by the provost guard of Camp Fremont under the direction of Provost Marshal Benjamin Pope. She was taken that evening to San Francisco and turned over to U. S. Marshal James B. Holohan.

Mrs. Heink had been here only a few days. She was employed as a waitress at the Blue Line Coffee House in the De Luxe Building on Main street.

She is a native of Germany, aged about 45 years.

Mrs. Heink was uncommunicative and would not divulge her identity. Wednesday afternoon she was closely questioned by Major Pope.

The oficers here believe she is a spy for the German government.

Mrs. Heink speak five languages fluently. The coffee house is chiefly patronized by soldiers from Camp Fremont who come in on buses to this place.

She attracted attention, according to officers, by persistent questions about the number of men at the camp, how many more were coming and the names of the officers. When arrested, she wore, according to Major Pope, a blond wig over her natural black hair.

In her possession were found, it is said, a number of letters, which the officers are holding for further investigation. Among them was one from a Dr. Schutz, written in German from Los Angeles, and containing this phrase: "Beware you are among enemies".

RAVENSWOOD FAVORS BONDS

The residents of the Ravenswood school district held an interesting and enthusiastic meeting last Monday night at which practically all of the parents of the district were present. Trustee C. L. Hyde was elected chairman and Trustee L. H. Brown secretary. The chairman explained the purpose of the meeting, which was to discuss the advisability of calling a bond election for the issuance of school bonds to purchase school property and erect a new school building Because of the growth of Runnymede which is in the district, the school has grown from 11 to 48 pupils in less than a year and will probably be double that number next year. Roy W. Cloud was present and addressed the assembly and answered questions. It was finally unanimously decided that a bond issue of $20,000 should be asked.

NOTES OF COUNTY SCHOOLS

Mrs. Rose C. Hagen, who taught in the Laguna school last year and resigned to go to the school at Arroyo Grande, has been appointed to a position in the Alameda school department and commenced her work there January 7th.

The West Union school at San Carlos was accepted by the trustees last week and the children started to the new building on Monday. It is a very beautiful structure containing two rooms and a large assembly hall. All that is up-to-date in school planning may found in this school. It is of wire lathe and plaster construction and is built after the Mission style of architecture. Miss Gertrude Hind of this city is the teacher.

Miss Hilda Hering, a graduate of the De Luxe school of San Francisco, has been appointed teacher in the Jefferson school district and will have charge of the Domestic Science work in all of the schools of the district.

The new school at Belmont is now finished and will probably be accepted by the trustees next week. It is of Mission or early California architecture and contains two rooms and a large assembly hall. It is so constructed that two additional rooms may be added at little expense. Miss Fay Thorpe of this city will be principal and Miss Alice Eastwood of Mountain View assistant teacher in the new school.

The trustees of the Jefferson school district decided last Tuesday to put in a new toilet system in the Colma school. Plans have been drawn for the work the cost of which is estimated at $1,400.

FIRST CONGREGATIONAL CHURCH REPORTS SHOW SPLENDID GROWTH

The annual business meeting of the Congregational church was held Thursday night in the church parlors. One hundred and four members were present and partook of a most bounteous dinner after which the reports of the different officers were rendered and officers were elected for th coming year.

Miss Clara M. Shelley read the minutes of the last meeting. As the year completed the twenty-fifth year of Miss Shelley's service as church clerk she was presented with a tray containing twenty-five new silver dollars. The presentation speech was made in behalf of the church and its officers by Mr. Roy W. Cloud. Miss Shelley responded feelingly and said that while her years of service had been happy years she regretted that she would not be able to assume the responsibility of clerk for another term.

The report of the treasurer, Mr. C. H. Woodhams, showed that the expenses of the church for the past year were $2034 and that in addition to this amount over $600 had been given to missions and worthy benevolences. The church met all of its obligations in 1917 and began the new year with $24 on hand.

The report of the Sunday School Superintendent, Mr. L. P. Behrens, showed that the average daily attendance of the Sunday school during 1917 was 123 and the average collection was $6.55 per Sunday. Of this a large amount was given to missions and for the relief of the Armenians. Mr. Behrens, who has been superintendent for 20 years, then announced that he would ask to be relieved of the responsibility this year.

Miss Shelley, as clerk, reported that the number of additions to the church had exceeded the removals by nine and the membership is now 249.

All of the other reports showed progress and growth. Mr. Stevens then made his annual address and thanked the members for their consideration and support.

The officers elected for the coming year were: Deacons, Donald McKenzie and John Gill; Deaconesses, Mrs. J. L. Pipkin and Mrs. Frank Blomquist.

Trustees for two years, Donald W. Williams, Frank K. Towne and L. P. Behrens;

Clerk, Mrs. Alexander Wilson.

Sunday School Superintendent, Mr. Henry Martens.

Chief Usher, Mr. J. L. Pipkin.

After considerable discussion it was decided that the plan of building a new church should be deferred until next year.

NOTED MEN WILL ADDRESS WAR SAVINGS GATHERING

Under the auspices of the Redwood City War Saving Council there will be a big gathering of the people of the county in Sequoia theatre next Wednesday evening to hear an eloquent address by John F. Neylan and John S. Drum of San Francisco. A chorus of fifty voices will regale the audience. That number of soldiers will sing on that occasion. The Thirteenth Infantry orchestra will also be present from the camp. Everyone should turn out on that evening to hear the messages these eloquent men will bring from the metropolis. The council, of which J. H. Nash is chairman, and Professor Monteith is secretary, is organized for the purpose of promoting the saving of thrift stamps.

Mrs. Tomei Granted a Divorce

The divorce action of Filomena Tomei against John Tomei, was heard in the superior court Thursday and a decree of divorce granted to Mrs. Tomei upon the ground of extreme cruelty. The husband is the proprietor of Princeton Inn, on the coastside.

PIONEER TEACHER READY TO SEEK RETIREMENT

Mr. Philip Pryor, who has been principal of the Bay View school, San Francisco, for the past twelve years, has resigned his position in the school department and has asked that he be placed on the retired list. Mr. Pryor leaves his position with the love and good will of all of his teachers and pupils and with the hearty regard and respect of his superintendent. He has been connected with the school department of San Francisco for close on to sixty years and it is more than probable that no man is better known and respected in the metropolis than he as he has had boys and girls by the hundreds go out from his schools to be the successful men and women of San Francisco.

While teaching in San Francisco, Mr. Pryor has lived in Redwood City for a number of years and was for a time chairman of the Democratic County Committee. As soon as the details of his retirement are completed he will again come to this city where he will make his home.

HULL BENT ON REFORM

While the Post Office Appropriation Bill was being perfected in the House, Representative Harr y E. Hull of Iowa sought the adoption of an amendment that would have saved the government from ten to twenty million dollars a year, and given general satisfaqtion among the patrons of the postal service whom it affected. Mr. Hull claims that the village delivery system, now being installed, will cost the Government eventually more than $20,000,000, because when one town gets it other places in the vicinity will want it unless some other way is found to satisfy them. At present a large box rental is charged in small post offices having no village delivery. The practical effect is that patrons of the offices have to pay, collectively, several hundred dollars for the privilege of calling for their mail. Congressman Hull advocates that village delivery shall not be extended to comunities unless a majority of the people request it, and where it is not requested then the box rent in that town shall not exceed ten per cent of the original cost of the box. Mr. Hull believes that the patrons of small offices would prefer a lower box rental than village delivery, and the Government should be saved the cost of installing the latter system. His proposition, however, was defeated but will doubtless be heard from in the future when postal matters are under consideration.

SILVER THREADS AND MONTHLY GOLD

The old-age pension idea, which has been advocated from time to time has been given fresh impetus by the bill introduced by Congressman Benjamin K. Focht of Pennsylvania. He would grant an annuity by the government of $20 per month to all American citizens who have resided in the United States 20 years, have reached the age of 65 years and have an annual income of less than $300. Mr. Focht has also taken a stand in favor of a substantial increase in the salaries of Government employees.

BOARD OF SUPERVISORS

(Continued from page 4)

county help for several persons in different parts of the county.

The report was accepted and approved, on motion of MacBain. seconded by Hickey .

The board, on motion of Brown, seconded by MacBain, rejected eight claims that had been presented by different firms and individuals of San Mateo for medicine supplied and treatment given a destitute family in that city last summer, the members of which were all taken down with diphteria.

The board took the stand that the supplies were furnished and the help given without any order from the supervisors and the county was therefore not responsible for the payment of the bills.

Supervisor Brown addressed the board and stated that he wished to announce that the city of Hillsborough had practically completed fulfilling its moral obligation made by its board of trustees eight years ago to pay into the treasury of the county the sum of $7,000 each year. The obligation referred to was made at the time of the incorporation of the City of Hillsborough and was a gentlemen's agreement between the trustees of the city and the county supervisors in order to offset the loss the county suffered in assessed valuation of territory through the said incorporation. Supervisor Brown explained that only a small portion of the obligation remained to be paid. A considerable portion of the money, he said, had been expended in the construction of the San Mateo to Half Moon Bay road.

Supervisor Hickey reported several dangerous turns in the Bay Shore road in his district and he asked permission of the board to make the necessary repairs. This was granted him, on motion of Brown, seconded by MacBain.

The regular monthly claims that were presented were allowed, on motion of Brown, seconded by Hickey.

The board adjourned at 12:35 p. m., to Monday, January 21, 1918.

MUST RECORD BRANDS

The Cattle Protection Board warns all cattle owners (except dairy and pure bred) who have not made application for recording their brands to immediately file same with the Board at San Francisco. All brands submitted for recordation after February 20, 1918, will only be given secondary consideration. The use of any brand not so recorded is prohibited by law and the Board announces that it will vigorously prosecute all parties who attempt branding cattle with unrecorded irons. County recording is insufficient to comply with the State law, consequently all brands recorded in the Counties must now again be recorded with the State Cattle Protection Board.

Thousands of cattlemen have already applied to record their brands in compliance with this law and the Board has decided to issue no final permits for the use of any brand after the first of February 1918 and it will accept applications for recording until that date on an equal basis with applications recieved prior to the first of the year. All persons who file brands for recording after the first of February can only be given secondary consideration.

The Cattle Brand law passed by the last Legislature at the instigation of the cattle interests of this State is designed to prevent cattle rustling and should prove to be an effective protection to cattlemen. This can safely be predicted on account of similar laws in existence for many years in other western states which have been extremely effective in the prevention of cattle stealing.

All persons slaughtering cattle as a business are required by this law to obtain a license and they are warned to make application at once.

Application for recorling brands and slaughtering licenses should be made on special forms which can be obtained by writing the State Cattle Protection Board, 612 Underwood Building, San Francisco, Cal.

CATTLEMEN!

Your cattle brand must be registered with the Cattle Protection Board before February 20, 1918.

Applications received after that date will be given only secondary consideration.

Persons using unrecorded irons will be liable to arrest.

Woodside Notes

Grover Neuman came down from Camp Lewis the fore part of the week on a short furlough to visit his wife who is very sick. He went back on Thursday. Mr. Neuman is very much pleased with the camp and likes the life but would rather be here.

Red berries were never so plentiful in and around Woodside as they were this year. There was a short crop in other portions of the county.

Dr. Bowden fractured the bone of his right leg near the knee joint while plowing on his ranch at Portola last Saturday. The doctor will be laid up for some weeks.

All the saloons at Woodside closed on January 10th. The Wonder bar at Portola also closed but the Hallett place continued open, a question having arisen as to whether that place was in the five mile limit. Yesterday it was determined that it was and it will have to close. The La Honda saloons will continue open as they do not came under the federal law.

Mrs. A. A. Neuman and daughter, Josephine, are spending two weeks visiting in Los Angeles.

There is an epidemic of mumps in Woodside. Quite a number of children are sick.

The Red Cross will meet Wednesday afternoon with Mrs. James Warren on Woodside road.

Mr. Jack Williamson is enlarging his store. The amiable Jack is doing a good business.

Mr. Fred Danz and family will soon move to Redwood. Messrs. Danz and Harry Hallett are about to open a butcher shop and delicatessen store on Broadway.

Halfmoon Bay Notes

Adolph Pitcher of San Francisco is visiting the Thos. Pitcher family at this writing.

Miss Agnes Gilcrest returned to San Francisco last Saturday to resume her studies in the Normal srhool.

Antone Bello Jr., our popular produce man, is building an adddition to his home on the coast highway north of town. M. P. Dutra, best carpenter on the San Mateo coast, is doing the work.

The Ocean Canning Company this season will put up 500.000 two pound can of sprouts. This company has just shipped to Belgium 60,000 cans, which were purchased by the Belgian Council of New York.

Mrs. Margaret Finnegan has been appointed local registrar for the full four-year term. The books are now open and anyone who may desire to vote in any election of the present year must register.

The Misses Mildred and Claire Sarcandur of Stockton visited Gertrude Campbell during the latter part of last week.

George Mowry took his little grand chilrren, Rose, Jane and John Mowry, who had been here on a visit, home to Colma last Thursday.

John Dutra, grand president of the U. P. E. C., of Hanford, is expected to-night. A big reception will be held in his honor in the I. D. E. S. hall.

Grover Wyman and two sons from San Francisco were in town Sunday to visit George Wyman.

Things do not look particularly bright at present, it is true. Following the scant rainfall of the winter of 1916-17 came a summer singularly devoid of moistening fogs. In consequence the crops were rather below the average, particularly hay. The present winter is dry beyond all precedent, and stock feed is almost gone, and what there is left commands a staggering price. The stockman has three courses open to him, let his cattle worry on as best they can on a denuded range, sell them in a poor condition and take what is offered, or else buy hay at $30 a ton or more. The outlook is far from being cheering, but the situation isn't hopeless. The belated storms may arrive any day. Winter solstice is past, and as an old saw has it: "When the days begin to lengthen, winter begins to strengthen," and winter in the coast country is a synonym for rainstorms.

If you have Watch trouble see watch doctor, George Peterson, 214 Main street, Sequoia Hotel Building, Redwood City.

Floyd Wilder, son of Mr. and Mrs. C. H. Wilder of this city, enlisted in the regular army last week and has been assigned to the 8th Infantry, which is now stationed at Camp Fremont.

The Broadway Grocery, William Warren, proprietor, has joined the Merchants' Delivery Association and after the first of the month all goods will be delivered from the grocery store by the association.

Mr. Henry Martens of this city, who is president and chief owner of the Enterprise Foundry of San Francisco and South San Francisco, left on Monday for Los Angeles where he will spend several weeks attending to company's business.

Mr. and Mrs. Walter Ray and their daughter Eleanor have left their ranch near Pescadero and have taken a house in this city where they will make their future home. Mr. Ray will still take care of his property interests on the coastside but will spend most of the time with his family here.

Henry Chapin and his brother, Frank Chapin, have purchased the old Ebner place on Roosevelt avenue. They intend to plant extensive gardens. The property consists of a fourteen room house and five acres of land.

M. E. Ryan has filed a notice of intention to purchase the electrical business of H. Fendler of Burlingame in the county recorder's office. The sale will be made on January 22nd. Mr. Ryan will aslo purchase the stock and electric fixtures of the place. Mr. Ryan will continue his business here.

Free Piano Exchange, 111 Kearney St. San Francisco. Pianos bought, sold, exchanged. Player pianos traded for pianos. Fine standard action player piano, $75 cash delivers it to your home. See Shottler, 313 Main St. Redwood City for particulars.

The scarcity of robins this winter in this section is taken by all old timers as a sure sign of a dry season. None of the birds have been seen here this year while at this time last season myriads of robins were noticeable. The robin is a non-game bird and cannot be hunted or shot. Heavy rains may bring them down from the north.

Ed. Hilledebrand while at work in the Western Meat Company's plant at South San Francisco last week, had his hand caught in a pulley belt and as a result his fingers were badly injured. As the new hospital at South San Francisco is not yet completed, he is having his treatment at the Red Cross hospital, San Mateo.

Mr. Florence, local manager of the Pacific Gas and Electric Light Company, received word yesterday from Washington to be prepared to furnish gas and electric light to Camp Fremont to accomodate 27,000 soldiers who will be at the cantonment very shortly. Mr. Florence says his company is prepared to meet this extra demand.

A large property holder residing in Redwood City who has occasion to file deeds was forcibly impressed during the week that the war we are engaged in is an expensive affair. He filed a deed in the recorder's office which cost him $1.70 for recording and $5.00 for revenue stamps as required by the government. The fellow who has property must pay the piper.

The finance committe of the grand jury recently counted the money in the treasurer's office finding the amount to be $581,532.29, agreeing to the cent to the total compiled by the expert. The members of the committee congratulated Mr. Chamberlain, the treasurer, on the splendid system of bookkeeping established in his office, which enabled them to ascertain in so short a time the total amount of the funds in the county's cash box.

L. F. Winkler, the well-known and popular druggist, enjoyed a ride in the air on Thursday morning. He made the flight with Professor Bryant in an airplane, reaching an altitude of 1000 feet. The birdman and Mr. Winkler encircled Redwood City, remaining nearly an half an hour in the air. Mr. Winkler enjoyed the aerial trip very much. The sensational with which one is thrilled in ascending will not be forgotten by Mr. Winkler.

The street lights are an abomination, a disgrace to any community. Will some one take the lead and have the Pacific Gas and Electric Company replace the present out-of-date lamps? We need more light Mr. Business man it is up to you. Keep pace with the times and see that proper lights are installed at once.

There are about three hundred men stationed at present at the base hospital and remount station at Ravenswood. Over a hundred patients are in the hospital being treated for various ailments. This week a five chair civilian barbershop was opened at the hospital to be patronized by all men in and about that section.

Frank Derry has purchased the express business of C. E. Maloney. He has purchased a new Ford truck and will fill any orders promptly and at a moment's notice. Mr. Derry has resigned a lucrative position to engage in the business here. Mr. Derry is a trustworthy man and all business intrusted to him will be carefully attended to.

Marks and May, expert confectioners of wide experience, have leased the store in the Fremont theatre and will opn it this evening. It will be known as the Fremont Candy shop. He became well-known here and at Palo Alto.

By the terms of a lease filed in the recorder's office at Redwood City during the week P. J. Maloney has leased a lot 22 by 150 on the highway to Ezra Mason of San Francisco for a period of five years. The monthly rental is $50.

Miss Rene Kahler and Miss Bessie Rothfuss, two prominent young ladies of San Francisco, have leased one of the new stores in the Maloney block and have opened it as a light lunch place. They also keep a full line of cigars, tobaccos, temperance drinks and hot drinks. They make a specialty of home made pies and cakes.

NATIVE DAUGHTERS TO AID ORPHANS

On Monday evening next, Jan. 21st. the combined Parlors N. D. G. W., of Menlo Park and Mt. View will stage a big veaduville show and dance in the Hall of the Nativity, Menlo Park.

The affair is for the benefit of the thousands of homeless children of the State, who through the different courts have been committed to the care of the Central Bureau of the N. S. G. W., and N. D. G. W.

These children are the waifs and strays and abandoned little ones who through accident or the moral perversion of parents have been thrown upon the charity of our great State. Left to themselves they either could have no future or their future would inevitably mean a menace to the state by large additions to the criminal element.

Under the fostering care of the state, administered through such widespread and efficient organizations as the Native Sons and Native Daughters, whatever their present forlorn and helpless conditions, these little ones will grow into the honored citizens of the future—the responsible mothers and fathers and the capable statebuilders of the next generation.

Th work of the N. S. G. W. and N. D. G. W. in behalf of these children consists largely in adopting them into private families—clean, wholesome homes, where the little ones are incorporated into the family, and side by side with their adopted brothers and sisters grow and develop under e benign influence of family life. The records of the Central Bureau show that in less than a decade in which the N. S. G. W. and N. D. G. W., have engaged in the work over ten thousand children have been happily placed.

No work which these two organizations have done has or can have added so great a glory to their record or given such a compelling reason for their being.

The effort the N. D. G. W. of Menlo Park and Mt. View are making in staging the program on Monday, to bear their share of this sweet burden of charity cannot but appeal to every one in this district and certainly should receive a hearty endorsement by a packed audience in the Hall of the Nativity on that evening.

CATHOLIC WAR FUND DRIVE AT MENLO ON IN EARNEST

At the request of the Most Rev. Archbishop, the big Catholic war fund drive for funds for work among the soldiers and sailors stationed in counties about the Bay is now being extended to the peninsula. The drive in San Francisco, Alameda, Marin and Santa Clara counties trenched so closely upon the holidays, it was decided to leave the work in San Mateo county until now. But the work is vigorously underway at present and the northern part of the county has already generously made good and oversubscribed its quota. Redwood City has not yet closed its drive but has already gone far over the top.

This coming week the drive will take place in Menlo Park and Portola Districts. In every drive of this nature since the war began Menlo Park has far outstripped all other districts in proportion to its quota. There is every assurance that Menlo Park will keep up its splendidly generous record.

Age Judicially Determined

The hearing of the application of Louis Nava of Colma to determine the fact and date of his birth, was taken up in the superior court last Thursday, and it was decreed from the evidence produced that he was born in the Commune of Varese Ligure in the kingdom of Italy on the 8th day of October 1885, and that he is now 33 years and past old. The proceeding was instituted to establish by judicial decree his correct age.

Joseph J. Bullock appeared as his attorney.

Sues to Quiet Title

John S. Bello and Manual C. Silva have brought an action in the superior court against Rose Bello to quiet title to lots 21 and 22, block 5, San Bruno Park. E. B. Mering and M. J. Gillespie of San Francisco are the attorneys for plaintiffs.

K. OF C. WAR FUNDS GET QUICK RESPONSE

For establishing and maintaining recreation centers at home and abroad, the Knights of Columbus raised one million dollars principally by assessment among their members. This sum was inadequate for the purpose intended, so appeal was made to the host of well wishers among prominent men of all creeds, with the result that the fund is now well over the ten million dollar mark.

In collecting the fund, the Order has no agents, no commissions to pay. The general administration is under the orders officers and clerical staff with no charge against the fund. These bonded officers are now responsible for eight million dollars of insurance funds, and will handle all moneys and a complete and public account will be rendered of all receipts and expenditures.

The K. of C. has been designated by the War Department of the Government as the official agency for all Catholic activity for the soldiers and sailors, as the Y. M. C. A. has been similiarly designated as the official agency for all Protestant activity. Both organizations provide places where all the soldiers, regardless of creed may assemble and be furnished with wholesome recreation. Both have ample facilities for reading, writing, games, music, etc. Provision is separately made, however, for the spiritual welfare of the men who prefer their own particular religion. The division line is somewhat ethereal, and to the casual observer. "Whip the Kaiser" seems to be the only gospel the various chaplains are interested in preaching to their men.

Redwood City has been more than generous with its donations to the fund. Jos. Hahir, who is in charge of the drive in this district reports, as previously acknowledged:

NEW MENLO THEATRE READY FOR PATRONS

An event of no small importance that will take place on Saturday, January 19th, is the initial opening of the Fremont Theatre at Menlo Park.

The new building is in a class by its self and the management of this unique place of amusement have spared neither time nor money in carefully equipping the Fremont Theatre with everything for the comfort and satisfaction of their patrons and it is truly said to be "a house of a thousand comforts."

The wide aisles and most comfortable chairs are something the picture loving public will at once notice as also the even heat and thorough ventilation of the building.

In addition to a fully equipped stage, on which first-class vaudeville acts and road shows will be presented there has been placed a silver screen which brings out more fully the finer points of the pictures.

For the enjoyment of all there has been installed a $10,000 pipe organ which bears the trade mark of "Made in America" and more cannot be said. it is first-class and this instrument will be under the direct charge of a performer of no small note, Mr. Van Derzee, who at every performance will render a carefully selected program in addition to photo plays.

Just off the inner foyer there is a ladies parlor most carefully furnished and open at all times, which is only one of many points of note in this new theatre, and for the man who smokes there is a smoking room provided.

In the lobby is a telephone booth and drinking fountain which is for the use of the general public. In fact every item for the safety, comfort and pleasure of all has been carried out in detail and Menlo Park can well be proud of having such a building as the Fremont Theatre.

At 6 o'clock on Saturday evening, January 19th, the theatre will be opened for the first time with 4 acts of high class vaudeville, a two-reel comedy and the 7-act feature "Draft 258".
